

It's Back, and Better!

LG Basic in the 700 Series Body

dormakaba has introduced the 700 LG Basic that will be its own subfamily within the LA GARD 700 Series Family.

- Mirrors the functionality of the legacy LG Basic, now in the 700 Series Footprint
- Available lock bodies include Deadbolt and Swingbolt
- Available colors include Satin Chrome and Black
- Available in a serviceable and tamper evident format

Note: Current LG 700 Series products will not be interchangeable with the new 700 LG Basic Keypad/Locks.
